BARCODE REQUEST FORM

If you intend selling plants at our February 2023 Show, please complete the form below so we can provide you with barcodes for your sale plants. Barcodes will be provided free of charge to all who sell plants at our shows.

It is better to overestimate the number of barcodes you might require for each amount, but within reason.

Additional Barcodes for **registered members** can be organised during setup on the Friday. However, if possible, we would like to keep this activity to a minimum.

It would be appreciated if this information could be provided as soon as possible or by **27th January 2023** at the latest so that the Cash Register Barcode System can be set up and tested and Barcodes distributed before the show.

Please hand the completed form to Roslyn Hunt at one of our meetings, post to Aspley Orchid Society, PO Box 323, VIRGINIA BC QLD 4014 or Email to aspley@y7mail.com

Please contact Chris Duffy – 0438 653 338 if you have questions regarding the barcodes.
