

BARCODE REQUEST - NEW REGISTRATIONS - ASPLEY MEMBERS

If you intend selling plants at our May Show, please complete the form below so we can enter your details into Aspley's Barcode Database and provide you with barcodes for your sale plants. Barcodes will be provided free of charge to all who sell plants at our shows.

It is better to overestimate the number of barcodes you might require for each amount, but within reason.

Additional Barcodes for **registered members** can be organised during setup on the Friday of the show. However if possible we would like to keep this activity to a minimum.

Please hand the completed form to Chris Duffy at one of our meetings, post to C Duffy, 234 Lyndhurst Road, Boondall 4034 or Email to duffyce@bigpond.net.au .

It would be appreciated if this information could be provided by the 18th April day meeting so that the Cash Register Barcode System can be set up and tested and Barcodes distributed before the show.

Please contact Chris Duffy (07) 3265 3338 if you have questions regarding the barcodes.
